Устав

For institutions that ask about documents, authorship, source order and expert review.

Third touch / expert route

GINZBURG ART / Archive & Provenance / WORKING PREVIEW / NOT SELL

Every exhibition theme can carry a provenance and rights checkpoint.

- Object card: title, source folder, image status and rights note.
- Expert layer: attribution, chronology, captions and public-language review.
- No valuation or ownership claims are asserted without separate verification.

SEND WHEN THEY ASK FOR DETAILS

This route answers the serious institutional questions.

01 PDF: archive/provenance logic.

02 PPTX: editable internal review copy.

03 Next step: request their preferred expert/contact route.

FORMAT: PPTX + PDF + PNG SLIDES + WEBP CONTACT SHEET

VISUAL: clean expert memo style, no sales language
