

An online exhibition can become a teaching module.

page-5.png

page-6.png

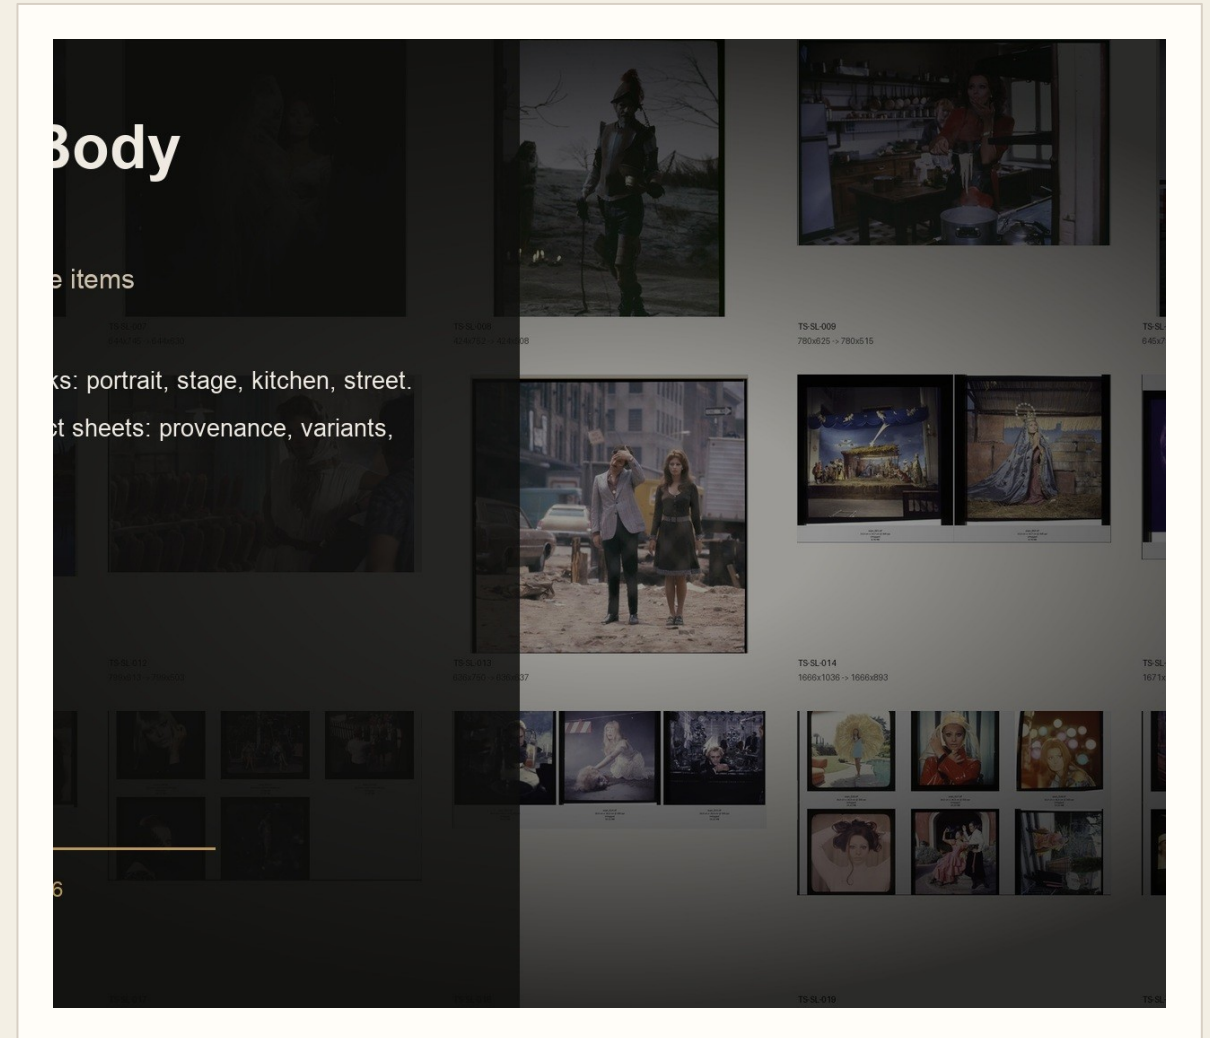

For academies, institutes and creative universities: viewing, discussion, archive method.

Second touch / education route

CLASSROOM FORMAT

The same material works as a screening, seminar and archive exercise.

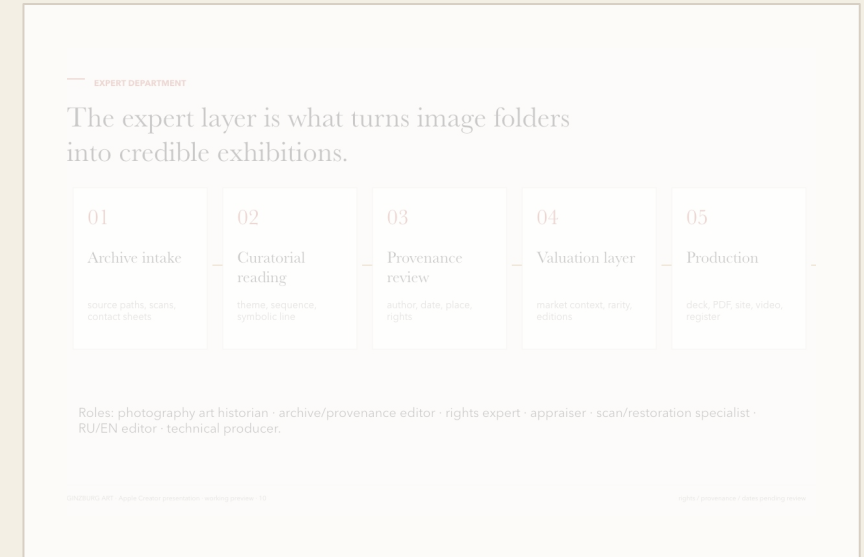

- Students see the exhibition as a curated visual sequence.
- Teachers can discuss image selection, context and production language.
- The first step is a private link, not a formal partnership claim.

VISUAL: large vertical image crop with editorial teaching copy

SEND WHEN ASKED

Education route: compact and easy to forward.

01 3-slide PDF for rectorate/department review.

02 Optional RU/EN version if the institution has international programs.

03 Follow-up asks for one 15-minute call or a relevant department contact.

FORMAT: PPTX + PDF + PNG SLIDES + WEBP CONTACT SHEET

VISUAL: academic paper, blue rules, clear next-action columns
